MEDICINAL.

This important organ weighs but about This important organ weighs but about three pounds, and all the blood in a living person (about three gailons) passes through it at least once every half hour, to have the bile and other impurities strained or filtered from it. Bile is the natural purgative of the bowels, and if the Liver becomes torpid it is not separated from the blood, but carried through the veins to all parts of the system, and in trying to escape through the pores of the skin, causes it to turn yellow or a dirty brown color. The stomach becomes diseased and Dyspepsia, Indigestion, Constipation, and Dyspepsia, Indigestion, Constipation, Headache, Biliousness, Jaundice, Chills, Malarial Fevers, Piles, Sick and Sour Stomach, and general debility follow. MER-RELL'S HEPATINE, the great vegetable discovery for torpidity, causes the Liver to throw off from one to two ounces of bile each time the blood passes through it, as long as there is an excess of bile; and the effect of even a few doses upon yellow complexion or a brown, dirty locking skin, will astonish all who try it—they being the first symptoms to disappear. The cure of all bilious diseases and Liver complaint is made certain by taking Hepatine in accordance with directions. Headache is generally cured in twenty minutes, and no disease that arises from the Liver can exist if a fair trial is given. Take no pills when you can get Hepatino at the same price. For sale by all Druggists. PRICE 25c and S1.

The fatality of Consumption or Throat and Lung Diseases, which sweep to the grave at Lung Diseases, which eweep to the grave at least one third of all death's victims, arises from the Opium or Morphine treatment, which simply stupelles as the work of death goes on. \$10,000 will be paid if Opium or Morphine or any preparation of Opium, Morphine or Prussic Acid can be found in the Globe Flower Cough Syrup, which has caused needle who are light to-day with one cured people who are living to-day with one remaining lung. No greater wrong can be done than to say than Consumption is incurshed. The GLORE FLOWER COUGH SYRUP will cure it when all other means have failed. Also Colds, Coughs, Asthma, Bronchitis and all diseases of the throat and lungs. Read the testimonials of the Hon. Alex. H. Grave mistages are made in the treatment of all diseases that arise from poison in the bloud. Not one case of Ecrofula, Syphilis, White Swelling, Ulcerous Sores and Skin Disease in a thousand is treated without the use of Mercury in some form. Mercury rota the bones, and the diseases it produces are worse than any other kind of blood or skin disease can be. Doctor PEMBERTON'S STILLINGIA or QUEEN'S DELIGHT is the only medicine upon which a hope of recovery from Scrofula, Syphilis and Mercuria diseases in all stages, can be reasonably founded, and that will cure Cancer \$10,000 will be paid by the proprietors if Mercury or any ingredient not purely vegetable and harmless can be found in it. WILL CURE RHEUMATISM. Mr. Albert Crooker, the well-known drug-gist, and apothecary, of Springvale, Me., always advises every one troubled with Rheumatism to try VEGETINE.

READ HIS STATEMENT: Springvale, Me., Oct., 12, 1876.

Mr. H. R. Stevens:-Dear Sir,-Fifteen years ago last fall I was taken sick with rheumatism, was unable to move until the next April. From that time until three years ago last fall, I suffered everything with rheumatism. Sometimes there would be weeks rheumatism. Sometimes there would be weeks at a time that I could not step one step; these stracks were quite often. I suffered everything that a man could. Over three years ago last spring I commenced taking VEGETINE, and followed it up until I had taken seven bottles; have had no rheumatism since that time. I always advise every one that is troubled with rheumatism to try VEGETINE, and not suffer for years as I have done. This statement is gratuitous as far as Mr. Stevens is concerned. Yeurs, etc.,

Albert Crooker.

Boston, Oct, 1870.

E E E E E HAS ENTIRELY OURED ME.

Mr. H. R. Stevens:—
Dear Sir.—My daughter, after having a severe stack of Whooping Cough, was left in a feable state of health. B-ing advised by a friend she tried the VEGETINE, and after using a few bottles was fully restored to health.

I have been a great sufferer from rheumatism.

I have taken several bottles of the VEGETINE for this complaint, and am happy to say it has entirely cured me. I have recommended tho VEGETINE to others with the same good rosults. It is a great cleanser and purifler of the blood; it is pleasant to take and I can cheerfully recommend it. James Morse, 361 Athens Street.

RHEUMATISM IS A DISEASE OF THE BLOOD.

The blood in this disease, is found to contain an excess of fibrin. VEGETINE acts by converting the blood from its diseased condition to a healthy circulation. VEGETINE regulstes the bowels which is very important in this composint. One bottle of Vegetine will give relief; but, to effect a permanent cure, it must be taken regularly, and may take several bottles, especially in cases of long standing. VEGETINE is sold by all daugsists. Try it and your verdict will be the same as that of thousands before you, who say, "In ever found so much relief as from the use of VEGETINE," which is composed exclusively of Barks, Roots and Herbs.

"VEGETINE," says a Boston physician, "has no equal as a blood purifier. Hearing of its many wonderful cures, after all other remedies Bath. had failed, I visited the Laboratory, and convinced myself of its genuine merit. It is pre pared from barks, roots and herbs, each of which is highly effective, and they are compounded in such a manner as to produce astonishing results."

South Salem, Mass., Nov. 14, 1876. Mr. H. R. Stavens. Dear Sir: I have been troubled with Scrofula Canker and Liver Complaint for three years Nothing over did me any good unti I com-menced using the Vegetine. I am now getting along first rate, and still using the Vegetine. consider there is nothing equal to it for such complaints. Can heartily recommend it to eve-
